Échangeur d'Air:

Air Exchanger: oui / Yes

Date pour débiter:

Proposed Start Date: May 11, 2017

Date pour Terminer: August 4, 2017

Coût Estimé du Projet:

Estimated Cost of Work: 450000

Variance:

Date du Jour:

Today's Date: 07/07/17

Employee:

Employé: Vincent Daigle

Section D: Signature

The applicant hereby agrees:

- (a) To comply with all relevant By-laws.
- (b) That a Building Permit granted under the terms of this application is automatically canceled if the applicant fails to conform with any By-laws relevant to this application or deviates from the terms of this application.
- (c) To contact the Planning Commission for a site inspection before construction commences.
- (d) That the Building Permit issued under the terms of this application shall be used for no other work. Any other work requires another permit.
- (e) That any waiver of certain requirements of the Planning Commission, the Fire Marshall, the Plumbing Inspector, the Electrical Inspector and the Board of Health shall in no way relieve the applicant of the necessity of obtaining a Building Permit.
- (f) Neither the issuance of this permit nor the approval of plans or specifications shall relieve the owner from full compliance with the National Building Code and other By-laws.
